

THE WHITE HOUSE

WASHINGTON

September 13, 1976

To the Battleground Bicyclers:

Thank you very much for bringing me the souvenir patch on your remarkable bicycle trip from Battleground, Washington, to our Nation's Capital. I am proud to have this handcrafted emblem as a reminder of your athletic feat and of your friendship.

I hope your visit to the White House was enjoyable, and you may be sure you have my best wishes for the years ahead.

Sincerely,

A handwritten signature in black ink, reading "Gerald R. Ford". The signature is written in a cursive, flowing style with a large, prominent "G" and "F".
